**4% COMPOUNDED
TWICE A YEAR 4%**

Few people give enough thought to the earning
capacity of a dollar. When you look at a dollar, do
not think of how much it will buy, but

HOW MUCH IT WILL EARN.

When you find yourself thinking of your dollars
in this way, you are starting on the only straight
and sure road to wealth. Idle dollars are of no more
use to the world than idle men. Every dollar you
make over the cost of actual necessities should be
immediately placed under the safeguard of a strong
bank and kept busily at work earning other dollars
for you. We pay four per cent interest on savings
accounts and figure the interest every six months.

J. K. KALANIANA'OLE RENOMINATED.

Republicans Hold Territorial Convention in Wailuku.---Platform Favors High Liquor License.-Local School Boards.

COUNTY CONVENTION IN K. P. HALL.

Large Number of Delegates in Attendance Nominates all Present County Officers.—Their Election Is Generally Predicted.

REPUBLICAN TERRITORIAL CONVENTION.

The Republican Territorial Convention was held in the Knights of Pythias Hall last Saturday, September the 8th, with A. G. M. Robertson in the chair and W. T. Rawlins as secretary.

There was one hundred and twenty-eight delegates present in person, and many visitors who came to attest their allegiance to the party that stands for purity, prosperity and progress.

Judge Sanford B. Dole was chosen temporary Chairman and Edmund H. Hart temporary Secretary. W. J. Coelho was elected as interpreter.

While the Committee on Credentials were investigating the qualifications of the delegates, the members from Pauoa who were originally members of the Ellis Quintet Club furnished music to the delight of all.

Principal David Kapohakimohewa of the Keokea School sang a song that was cheered to the echo. This was followed by Matthew Kane, who has a voice that has been appreciated all over Maui. A quartet of Maui boys was then induced to sing and David Kapohakimohewa, Matthew Kane, Dan. K. Pokipala and George Maxwell. Maui has certainly has many gifted singers of Hawaiian melodies and the songs of the day were greatly appreciated. The song entitled E O-u Haku Makaainana by the Pauoa boys was the favorite on account of the song being in honor of our delegate to Congress.

After the report of the Committee on Credentials, Attorney D. H. Case was elected permanent Chairman, E. H. Hart permanent Secretary, W. J. Coelho, official interpreter, R. P. Reuter, Sergeant-at-Arms, D. K. Pokipala and M. R. Pereira, Messengers.

Chairman D. H. Case, in a few well chosen words thanked the members of the convention for the honor they had conferred in electing him as their chairman and welcomed the visiting members to Maui.

The chair then appointed John T. Moir, J. Kaanoinui, W. J. Greenwell, W. T. Robinson, W. O. Aiken, R. W. Farrington, A. G. M. Robertson, John C. Lane, Arthur Rice and E. Lovel as a Committee on Platform.

Before the committee went into session, a lunch was spread on the lanai of the hall building for all who were present. To Honorable H. P. Baldwin and the ladies of Central Maui is due the credit for the excellent luncheon that was provided. The afternoon was spent in a social way until the report of the Platform Committee. The platform was unanimously recommended by the committee and on reading the same it was moved by Hon. H. P. Baldwin that the same be accepted as a whole. This motion was at once seconded by Rev. Desha and was adopted by the convention without a dissenting vote.

Platform adopted by the Republican Territorial Convention, Saturday, September 8th, 1906.

Convention reconvened at 4:15 P. M.

Mr. Robertson presented Report and following platform:

The Republican Party of the Territory of Hawaii in convention assembled hereby reaffirms its allegiance to the principles and traditions of the Republican party of

HON. PHILIP PALL
Republican Nominee for Representative from Lahaina.

the nation and to its policies outlined in the national platform.

We heartily endorse the earnest and vigorous administration of the offices of the chief executive by President Roosevelt.

We heartily endorse the successful administration of the public affairs of this Territory commending particularly the honest, able and business like management of the finances of the Territory, which has brought our expenditure within our income and has been the means of extending and improving needed public works, and we commend ourselves the policy of encouraging immigration.

We again pledge our support to Delegate Kalaniana'ole in all his endeavors to receive federal aid for this Territory, and we congratulate him on the success he has already achieved in this respect.

HON. W. J. COELHO.
Republican Nominee for Senator.

The Republican Party claims credit for having given to the people of this Territory through the enactment of the County Act, a larger share of popular self-government than they have ever heretofore enjoyed, and we ask the support and assistance of the people in extending improving, and perfecting such government upon lines that may have been suggested by the experience of the particular working of the law.

We congratulate the several counties on the successful administration of their local affairs under said act.

We believe that the waterworks system throughout the Territory should be brought under the immediate control of the Territory.

(Continued on Page 6.)

HON. W. P. HAIA.
Republican Nominee for Supervisor from Hana.

SINGER SEWING MACHINES

Cannot be obtained through merchandise dealers. They are delivered directly from maker to user only through the Company's own employees. There is as great a difference in the cost of making sewing machines as there is in making watches. A cheap watch will indicate time with fair accuracy for a short time. Fairly good stitching can be done on some of the old patterns of cheap sewing machines when they are new, but they always work hard, are noisy and soon wear out. Every SINGER MACHINE is tested by actual sewing at the factory. It is always ready for every kind of stitching and will do better work and do it longer than any other because it is of better design and construction. A Postal Card to
